Checklist for filing for FAFSA on the web

Here are some items that you must have in order to fill out a FAFSA form (Pell Grant). This form will be held in strict confidence and returned to you upon completion of the FAFSA form.

Obtain a PIN (personal identification number) for the parent and the child, so that you may sign the application online. This is also necessary in order to access your FAFSA form in case you need to make changes on it later. The pin number can be obtained at www.pin.edu.gov or go to www.fafsa.ed.gov and locate the link. After you register for a pin, you will receive your pin and further instructions via e-mail in 2-3 days.

Checklist of necessary items to complete the FAFSA:

1. The parents completed tax forms. The student’s completed tax forms. The W-2 forms for both parties.
2. The parent’s age, and birthdays __________________________
3. The date your parents were married ________________________
4. The date of any divorces or separations _____________________
5. How much money the student has in checking and savings (estimate) __________________________
6. How much money the parents have in savings ______________
7. Except for the actual house and contents, how much the parents net worth would be. Investments, other real estate, stocks, bonds. (Net worth means current value minus debt) ________________________________
8. If the parents own a business, what the current net worth would be ________________
9. Social security benefits that you received that were not taxed ________________
10. Any welfare benefits that you received that were not taxed ________________
11. Students drivers license # ____________________

Please bring this form to any Upward Bound FAFSA help sessions.
